GRAPE VINE SPECIALISTS

FREDONIA, N. Y.

A decorative border surrounds the central text, featuring detailed illustrations of grapevines with large, lobed leaves and several clusters of small, round grapes hanging from the stems. The border is framed by a geometric pattern of interlocking triangles.

Our Specialty

FOR SIXTY YEARS we have made the growing of high grade **GRAPE VINES** a **specialty**. Our annual plantings average over two hundred acres, embracing many millions of vines, closely planted in nursery rows. We aim to keep in stock everything for the Planter or Dealer, all graded to our standard, known as the Fredonia Standard, which we originated many years ago, and now well known to the trade wherever grape vines are planted. Through our immense business and wide acquaintance we have established a national reputation for accuracy in varieties, grading to the highest standard, and promptness in filling orders, of which we are proud, and which it will always be our aim to deserve.

LOCATION—Three miles south of Dunkirk, forty miles west of Buffalo, on the New York Central Lines, Erie R. R.; N. Y. Chi. & St. L. (Nickel Plate) R. R.; Penn'a R. R. PACKING done in the most thorough manner.
